1. Read and answer

The Kraken is an enormous sea monster. It is five kilometres long. It has an enormous head, huge eyes and lots of long tentacles. It is quiet and peaceful and lives at the bottom of the sea. Sometimes the Kraken swims to the top of the sea. Trees, plants and flowers grow on the Kraken. Animals and birds live there too.

One morning some sailors in a boat saw the monster and they thought it was an island. They went towards the island and had a big party on the Kraken. They sang songs and danced. They were very happy. At night the sailors made a fire. The fire hurt the monster. The Kraken moved and there were big waves in the sea. It was very angry. It made a loud noise and threw the sailors into the sea. Then it swam to the bottom of the sea and disappeared forever.
