1. Read and answer

Dear friend,

Hi! My name is Miguel. I am from Mexico and I'm twelve years old. I've got a big family and I love them a lot. I've a little sister called Sofia, my mother's name is Gloria and my father's name is Enrique. We all live in a small house with my grandmother. She is sixty-five years old and she is the owner of Zapatería Familia Rivera, a shoe company. All my family works there.

I don't like working on the company, but I love music. I play the guitar and sing. My parents say one day I will be an excellent musician. I want to be a famous singer like Ernesto De La Cruz, the most famous musician in the history of Mexico. He is my idol.

I also have a dog. His name is Dante. He is grey with long ears and a big mouth. He loves running and playing with me. He also likes to eat a lot. We have a lot of fun together. Last month we got in trouble together because we destroyed my grandmother's birthday cake. It was an accident!

I hope to hear from you soon.

Best wishes,
Miguel Rivera
